

Office Guidelines

TechNova Pvt. Ltd. — Internal Policy Document

Document Code	Version	Effective Date	Policy Owner
TN-ADM-301	1.6	01 April 2026	Admin & Facilities Team

Purpose and Scope

This document covers day-to-day practical guidelines for working out of a TechNova Pvt. Ltd. office — dress code, workspace etiquette, meeting rooms, visitors, and general facilities. It applies to all employees, interns, and contractors working from a TechNova office location.

Office Locations

City	Type	Notes
Bangalore	Headquarters	Largest campus; houses Engineering, Product, and central functions.
Hyderabad	Regional office	Engineering and Customer Success hub.
Pune	Regional office	Engineering and Support hub.
Chennai	Regional office	Sales and Customer Success hub.

Office Hours and Access

- Offices are generally accessible from 8:00 AM to 9:00 PM on working days using the employee's access card.
- Access outside these hours (e.g., for a release night) is available on request to Admin/Security, logged for building safety purposes.
- Weekend office access requires prior approval from the manager and notification to Admin/Security at least 1 day in advance.

Dress Code

TechNova follows a smart-casual dress code on regular working days — comfortable, neat, and work-appropriate clothing. For client meetings, investor meetings, or other occasions your manager flags as requiring formal attire, business formal or business casual is expected. Beachwear, sleepwear, and clothing with offensive graphics or language are not appropriate for the office at any time.

Workstation and Desk Etiquette

- Keep your workstation reasonably tidy; food waste should be disposed of promptly to maintain a pleasant shared environment.
- For hot-desking areas, clear personal items at the end of the day so the desk is available for colleagues the next day.
- Use headphones for calls and music at your desk to avoid disturbing colleagues nearby.
- Report a broken chair, monitor arm, or other furniture issue to Admin via "Help → Facilities" rather than attempting a workaround.

Meeting Rooms

- Book meeting rooms through the Company calendar system, matching room capacity to the number of attendees.
- Release a room promptly on the booking system if a meeting ends early or is cancelled, so others can use it.
- Video-enabled rooms should be left set up and tidy for the next meeting; report AV issues to IT.
- Small "phone booth" rooms are for quick calls (typically under 30 minutes); please avoid extended block-booking of these high-demand spaces.

Visitors

All visitors, including candidates, vendors, and client guests, must sign in at reception, receive a visitor badge, and be accompanied by the hosting employee at all times within the office, except in designated public areas such as the reception lobby and ground-floor cafeteria. Hosts are responsible for briefing visitors on any relevant safety instructions and for escorting them out on departure.

Cafeteria and Pantry

- Subsidised meals are available at the Bangalore and Hyderabad cafeterias; Pune and Chennai offices provide a stocked pantry with tie-ups for lunch delivery.
- Please clean up after yourself in shared pantry areas and report low stock or equipment issues to Admin.
- Cafeteria timings and the weekly menu are published on the HR Portal under "Facilities → Cafeteria".

Noise and Shared Spaces

Open work areas are shared spaces; please keep voice levels considerate, especially near focus zones. Extended discussions, calls, and informal catch-ups are best moved to a meeting room or breakout area rather than held at a desk.

Parking and Commute

Limited two-wheeler and four-wheeler parking is available at each office on a first-come basis; employees are encouraged to register their vehicle with Admin for a parking sticker. Where public transport or shuttle options are available (e.g., the Bangalore campus shuttle from designated metro stations), details are published on the HR Portal.

Health, Safety, and Emergencies

- Familiarise yourself with the emergency exits and assembly point for your floor, shown on the safety map near the lift lobby.
- Participate in fire drills conducted twice a year; these are mandatory, not optional.
- First-aid kits are available on each floor; for a medical emergency, contact reception and Admin immediately.
- Report any safety hazard (spill, exposed wiring, blocked exit) to Admin/Facilities right away.

Booking and Using Shared Equipment

Video conferencing equipment, projectors, and shared peripherals in meeting rooms are for business use; please do not remove equipment from a room. If specialised equipment (e.g., an external monitor, a demo device) is required for an event, raise a request with Admin at least 3 working days in advance.

Mail, Courier, and Deliveries

Business mail and courier should be addressed to the office reception, which logs and notifies the recipient. Personal deliveries (e.g., online shopping) are discouraged during work hours but, where unavoidable, should be collected promptly from reception rather than left at the desk.

Team Events and Celebrations

Teams are welcome to use designated breakout or event spaces for celebrations (birthdays, milestones, festival get-togethers), booked in advance through Admin. Any event expecting more than 15 attendees or involving outside catering should be coordinated with Admin for space and safety planning, and any related cost should follow the Expense Policy.

Lost and Found

Items found on Company premises should be handed to reception, which maintains a Lost and Found log. Employees who have misplaced an item should check with reception before assuming it is permanently lost.

Sustainability Practices

Offices use energy-efficient lighting and segregate waste into wet, dry, and e-waste streams; please use the marked bins accordingly. Employees are encouraged to minimise printing, prefer digital documents, and switch off monitors and desk lamps at the end of the day.

Accessibility

All TechNova offices provide wheelchair-accessible entrances, restrooms, and lift access. Employees who need a specific workplace accommodation (adjustable desk, accessible parking, seating near a lift) can request it confidentially through HR, who will coordinate with Admin to arrange it.

Housekeeping and Maintenance

Housekeeping services clean workstations, restrooms, and common areas daily, with a deeper clean on weekends. Routine maintenance (AC servicing, pest control) is scheduled outside peak hours where possible and announced in advance via the office notice board and Slack channel for that location.

Key Contacts by Location

Location	Admin Contact
Bangalore (HQ)	admin-blr@technova.example
Hyderabad	admin-hyd@technova.example
Pune	admin-pune@technova.example
Chennai	admin-chn@technova.example

Prohibited Items and Conduct

- Smoking is permitted only in designated outdoor smoking areas, not within the building.
- Alcohol and prohibited substances are not permitted on premises except at an approved Company event.
- Weapons of any kind are not permitted on Company premises.
- Photography or recording within the office that captures confidential material (whiteboards, screens) requires care in line with the Security Policy.

Frequently Asked Questions

Question	Answer
Can I bring a guest to the office?	Yes, as a visitor — sign them in at reception, get a visitor badge, and stay with them throughout their visit.
What should I wear day-to-day?	Smart-casual is the norm; formal attire is expected for client-facing or investor meetings flagged by your manager.
Who do I contact for a facilities issue?	Admin/Facilities via "Help → Facilities" on the HR Portal.
Can I access the office on weekends?	Yes, with prior manager approval and notice to Admin/Security.

Document Revision History

Version	Date	Summary of Change
1.3	Apr 2022	Added hot-desking etiquette for hybrid model.
1.5	Apr 2024	Introduced waste segregation and sustainability guidance.
1.6	Apr 2026	Updated visitor and weekend access process.
